There is a keen demand for Hong Kong professional services, including **accounting, legal and business consultancy services**, to enhance ETCZ operations in emerging economies along the Belt and Road. How may Hong Kong professional services and business develop strong strategies to extend growth in the new and expanding overseas markets? In this debut symposium, speakers from the industry with **major overseas projects**, the business and professional bodies will share their insights into the significance, opportunities and challenges of investing and developing businesses in **overseas ETCZs and markets**, leading to country-specific discussions in subsequent workshops.
